Subject to the rules and regulations of said company, and which the undersigned applicant agrees shall form a part of this contract, he hereby makes application to the Hazleton City Authority for water service as

\_\_\_\_\_. Owned by \_\_\_\_\_

and occupied as \_\_\_\_\_, and in consideration of the delivery of water to the applicant by said company, the applicant agrees:

First: To pay for all water to the premises above named at the published rates of the company, and to settle all bills therefor within the time specified thereon, at the General Office of the Company, or at its local office or at any designated branch collecting agency, excepting that all bills shall become due and payable forthwith in case of the discontinuance of the use of water.

Second: To pay for all water delivered to the premises above named until five (5) days shall have expired after the applicant notifies in writing the authorized contract agent of the company of an intention to remove from the said premises, discontinued the use of water or terminate in any manner the applicant's liabilities under this contract.

Third: The undersigned agrees that the consumption of water shall be equal to and/or that he will pay regularly at least the minimum charges of said company now or hereafter to be established, and acknowledges that he has examined a copy of rate schedules, rules and regulations on file at the office of the company and that the same has been read and understood.
