DEAR CUSTOMER;

On August 17, 2020, Hazleton City Authority some customers on the Winters Avenue and Ridge Street in the Greenridge Section of Hazle Township were hand delivered a notice to boil their drinking water prior to consumption, due to a water main break.

We are pleased to report that the leak has been repaired and that, **effective immediately, it is no longer necessary to boil your drinking water**. Bacteriological samples taken by the Authority in the area of the boil advisory have indicated no bacterial presence. We apologize for any inconvenience and sincerely thank you for your patience. As always, you may contact the Hazleton City Authority if you have any questions regarding your drinking water.
