

YARD WASTE COLLECTION - April Through October

The Hazleton City Authority Yard Waste Collection program will be conducted the **2nd Saturday** of the month from **April until October**. – Yard waste is considered to be organic waste which includes garden residues, leaves, shrubbery, grass clippings and tree trimmings up to 6-inches in diameter.

The waste will be collected in the same area you place your garbage out- at the curb. The **yard waste must be placed in a container** or a **biodegradable PAPER bag**. Please **NO PLASTIC bags**. You may place the yard waste in your recycling container for the Saturday collection only.

[Store all of your yard waste and tree trimmings neatly and completely contained.](#)

Should you have questions you may contact Tamaqua Transfer by phone at- **866.337.1007 or phone 570.668.4515**
